

Medicals whats new and your questions

Dr. Peter Kerwin is an Aviation Medical Examiner and pilot that has been active in the aviation community for a number of years. He will be addressing the following topics:

How best to prepare for the aviation medical exam, changes coming in medical requirements, typical areas that cause pilots to not get a medical, how best to approach the FAA for resolving issues

Directions: From I-55 go North on Weber Rd., turn left at Clow International Parkway and go to end of road, make right at airport sign. Continue past stop sign and hangars on access road to parking lot. The Illinois Aviation Museum is the hangar across from display aircraft facing the runway

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
