

Crew Resource Management

Crew Resource Management or Cockpit Resource Management (CRM) is a set of training procedures for use in environments where human error can have devastating effects.

Used primarily for improving air safety, CRM focuses on interpersonal communication, leadership, and decision making in the cockpit. Please join us for Pizzas and light refreshments at 6pm, seminar starts at 6:30pm

Directions: Event will be held at Avel Flight School, located at the North East corner of the DuPage Airport, Powis Road entrance. We are the brown hangar next to TEA's red hangar.
