

DuPage FSDO FAAS Team presents:

# Drones and Chicago Airspace

This will be a dynamic presentation on the Chicago Airspace System and changes to come.

The emphasis of the presentation will be the addition of Drones to the National Airspace System (NAS). Robert Struthers of Chicago TRACON will be discussing the finer points of the Chicago area airspace and how they are designing, and implementing procedures for Drone Operations. Robert Werderich, Lead Drone Teacher of Illinois Aviation Academy, will be discussing new rules, planned new Drone airspace, and procedures for operating drones in 2016 and beyond. If you're a fixed wing guru, or UAS enthusiast, you will not want to miss this event.

**Directions:** Illinois Aviation Academy is located on the North West side of the DuPage Airport. Please park in any available parking spots along the hangars. \*Please do not park in the grass along Pheasant Run Golf Course\*.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
