

Operations at Non-towered Airports

Discussion of procedures, regulations, and good safety practices at non-towered airports.

Directions: From I-55 go north on Weber Rd. Turn left on Clow International Parkway (called Veterans Parkway to the east). Continue to the airport sign and turn right. Go past the stop sign and proceed along access road to parking lot. The Illinois Aviation Museum hangar faces the runway and is across from outside display aircraft. Access into the museum is an entrance door on south side.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
