

Towered Airport Operations and Pilot Forum

The Chicago-Rockford International Airport Air Traffic Control Specialists will be delivering a presentation on Towered Airport Operations to pilots and those interested in learning more about what to expect, what they expect, and how to get assistance if you need it. RFD ATC Specialists will also speak about characteristics specific to operations in and around the Rockford TRSA. A question and answer session for pilots will follow the presentation.

Interested in Chicago Class B Airspace: VFR Operations? Don't miss an earlier presentation by Chicago TRACON ATC Specialist Mark Zameda. For more information, visit: Chicago Class B Airspace: VFR Operations

Directions: Enter through Hangar C - Exhibitors and follow the signs to Hangar D - Presentations

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
