

IMC Club Meeting - Promoting Instrument Proficiency and Safety

EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real-life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations.

You do not have to be an instrument-rated pilot to attend.

Membership in the EAA/IMC Club is encouraged but not required to participate in this meeting.

Directions: From the north: South on Milwaukee past Dundee, Hintz, Palatine/Willow to the Milwaukee/River Rd split. Keep left. Crowne Plaza is on the left, south of Allgauer's (across the street).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
