

## Chicago Executive Airport Tower ATC Panel

Now is the time to ask the questions you've been wondering about when flying in Chicago Executive Airports class D airspace. Bring your questions to the meeting and let's find out what the guys on the other side of the mic are thinking. Meeting with our controller friends are always fun and interesting, and knowing what they expect from you may save you from making a poor decision.

**Directions:** From the north: Head south on Milwaukee past Dundee, Hintz, Palatine/Willow to the Milwaukee/River Rd split. Keep left. The Crowne Plaza Northbrook is on the left, south of Allgauer's (across the street).

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
