

DuPage FSDO FAAS Team presents:

ChicagoLand Glider Council 2019 Mid-America Soaring and Safety Seminar

The ChicagoLand Glider Council [CLGC] is hosting the 8th bi-annual Midwest Soaring and Safety Seminar on Saturday, February 23rd, 2019, 8AM to 5PM. Topics will include the Operations, logistics and Medical planning for the Glider (confirmed) altitude record flight of 15,902 metres (52,172 feet) and the 9/2/2018 new world glider altitude record (pending official confirmation) flying the Perlan 2 glider to 76,124 feet over the Andes mountains in Argentina and looking toward a Phase 3 flight of 90,000-100,000 feet. The attendee's cost of this Seminar is being partially underwritten by the ChicagoLand Glider Council's membership to keep the cost reasonable and to allow as many pilots as possible to attend. Again this year the CLGC is hosting a "Flying Flea Market" so bring your aviation related stuff to sell! A continental breakfast, full lunch and afternoon refreshments are provided. An optional "Dutch Treat" dinner is planned. The cost of the seminar includes the continental breakfast, full lunch and afternoon refreshments. The ChicagoLand Glider Council is a non-profit organization of over 200 members which was formed in 1937 and has a long history of dedication to the advancement and safety of soaring flight. The Council hosts off-season (October through April) meetings with scheduled
