

DuPage FSDO, FAAS Team presents:

IMC Club Monthly Meeting at PWK Engine out instruments out pilot out oh my

We'll start with a quiz on departure procedures, the topic from last month. So, if you missed that, study up!

Next, our IMC Club feature presentation. Hint: You Cirrus drivers are going to want to be in on this!

Of course, this is an IMC Club meeting, so you know things won't go according to the plan. What is happening with our engine? And our instruments? Whoa!!! Or, is it our pilot? Hmmmm. Let's sit in the comfort of zero AGL and TAS and figure out what happened, and most importantly, what would you do?

Directions: From the north: South on Milwaukee Avenue, past Dundee, Hintz, to Ramada Plaza/Tap House Grill on your right.

From the south: North of Willow/Palatine, north of Hawthorne, Windy City building, turn left into Ramada Plaza/Tap House Grill.

By air: Park at Signature Flight Support FBO. Walk east on Tower Dr. to end of the road, turn right and proceed south to Ramada/Tap House Grill (ETE 10 minutes, 0.5 sm) or call ask Signature for a ride.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
