

GL03 Greater Chicago FSDO presents:

Towered Airport Operations and Pilot/Controller Forum

If you're intimidated by operating at a towered airport or just want to brush up on your skills, this seminar is for you! Learn the ins and outs, tips and tricks of operating at a towered airport with the help of Chicago Rockford Airport Air Traffic Controllers.

This safety seminar is part of a series of safety seminars during Discover Aviation at Whiteside County Airport.

Attend all 4 safety seminars and get entered for a chance to win a David Clark H10-13.4 headset! Don't miss out on our other seminars: Avoiding Unwelcome Surprises In Flight; Multifunction Displays Using a Tablet or Smartphone; The Pilot/Controller Partnership and Situational Awareness - Upping the Game

Directions: The FAA Safety Seminar will be held in Hangar D.

A message from the National FAASafety Team Manager

Earn your WINGS to get a chance to win a cash prize. Go to www.mywingsinitiative.org for more info.
