

## Multifunction Display on your Tablet/Phone

In this seminar, speaker Jim Sweeney discusses a number of different apps that are available including charting, weather, and multifunction displays for both Android and Apple devices. Attend all 4 safety seminars and get entered for a chance to win a David Clark H10-13.4 headset!

Don't miss out on our other seminars:  
Avoiding Unwelcome Surprises In Flight Operations at a Towered Airport  
The Pilot/Controller Partnership and Situational Awareness - Upping the Game

**Directions:** Hangar D is located on the southwest ramp of the Whiteside County Airport.

### A message from the National FAASafety Team Manager
