

Greater Chicago FSDO, FAASTeam presents:

IMC Club at PWK - IFR Decision Making-Chasing Choices

Processing information and making clear decisions while flying in IMC can be challenging. In this seminar we'll analyze accident scenarios where stress and confusion in IMC can lead to task saturation, problematic choices, and suboptimal decisions.

Seminar presenters and attendees will work together on analyzing and discussing various scenarios to be a safer, more confident pilot. Please register here only to attend in person. To register as a remote participant, please visit: <https://pwkpilots.org/remote-participant/>

IMC Club Moderator Bio:
