

Useful and Cool Content Found in Your Pilot Operating Handbook

Do you know what's in the Pilot Operating Handbook (POH) of the aircraft you are operating? Do you even have a POH? Maybe you have an owner's manual instead. What's the difference? In this webinar we will explore the useful and cool content that you should know about your Pilot Operating Handbook (POH).

Directions: This webinar will be delivered using Zoom. A link along with log-in information will be emailed to registered attendees prior to the webinar. Registration in SPANS is required.

A message from the National FAASafetyTeam Manager
