

FAASTeam presents:

**CEPA Safety Meeting at PWK - Kyle Lewis - AOPA Advocacy
and Changes to the NAS - Hybrid In Person**

IMPORTANT: This is a hybrid in-person/remote participate meeting with separate registrations. Register here only if you are going to attend in-person. If you are planning to attend remotely, please follow this link for the online meeting https://www.faasafety.gov/SPANS/event_details.aspx?eid=108322

KYLE LEWIS, AOPA - GREAT LAKES REGIONAL MANAGER

We will be discussing the advocacy efforts of AOPA during the past year and also the recent changes to the National Airspace System including the proposed changes to the Chicago Midway Class C

Kyle is a specialist in advocacy. He is the keeper of statistical impact on local economy as relates to airports. His role is to assist us in the Great Lakes Region with protecting our local airports through the Airport Support Network. AOPA is our lobbyist in DC for General Aviation. Their Membership gives us a voice in legislative business that affects our freedom to fly. Kyle will present after our IMC Club meeting adjourns. This Safety meeting will be preceded by an IMC Club meeting, if you would like to participate, please register with this link as well. https://www.faasafety.gov/SPANS/event_details.aspx?eid=108318
