

VMC Club - Pilot Safety for VFR Pilots

After a short video, members will discuss how they would respond to the given scenario. This is an open forum for free ideas and we all learn from shared experience!

Directions: Please note that we are changing from 3rd Thursdays to 4th Tuesdays for VMC CLUB!

We meet at the EAA Chapter 22 Hangar. Look for the big EAA sign on the hangar, at the end of the row at the first right turn after the gate. If gate is closed, call 815-621-9142 for code.

Please Register to get WINGS credit for this event.

Please observe all state and local Covid requirements. (We will plan to have the hangar door open if it is not too cold.)
