

Greater Chicago FAASTeam presents:

IMC/VMC Club for Pilot Safety

After short videos, we will discuss various the scenarios and how they would respond to the given situation. Where could we have broken this chain of events? What would YOU do? This is an open forum for free ideas and we all learn from shared experience!

To make it more interesting for us all, we will now include material for both VFR and IFR rated pilots so we can learn from and encourage each other! We encourage use of distancing and masks during this challenging period. Please comply with all state and local COVID regulations. (Pilots DO safety!)

Directions: We meet at the EAA Chapter 22 Hangar. Look for the big EAA sign on the hangar, at the end of the row at the first right turn after the gate. If gate is closed, call 815-621-9142 for code.

A message from the National FAASafety Team Manager

Earn your WINGS to get a chance to win a cash prize. Go to www.mywingsinitiative.org for more info.
