

Greater Chicago FSDO FAAS Team GL-03 presents:

Chicago 99s Aviation Expo 2023 - Avoiding Hazardous Attitudes

In aviation, attitudes can mean a number of different things. Heck, the instrument right in the center of the aircraft panel is an attitude indicator yet it doesn't tell you a thing about the pilot nor what attitudes he may be holding. We all learned about the five hazardous attitudes but maybe it's time for both a refresher and an update.
