

Safety Risk Management Monthly Safety Meeting at PWK by CEPA

This event is part of the monthly safety seminar for the Chicago Executive Pilots Association. It will introduce pilots to the safety risk management concept of identifying hazards and associated risks. It will also address hazard and risk mitigation and the Federal Aviation Administration (FAA) Flight Risk Assessment Tool (FRAT) tool on FAASafety.gov.

This presentation will also introduce pilots to the FAA Wings program and encourage participation.

Harper College, Prospect Heights campus sits on the east side of Wolf Rd., about $\frac{1}{4}$ mile south of Chicago Executive Airport. There's plenty of parking available.

A message from the National FFASTeam Manager
