

# Airport Ground Operations and Procedures - Jennifer Settle - Chicago 99s

## Aviation Expo 2026

### Event Details

Being a safe pilot is not an option. Find out what you need to know about all that you can about hot spots, runway incursions, surface incidents, and wrong-surface operations. If you operate an aircraft or work around the airport, you need to know how to stay safe and get around, right? Jenny will explain best practices and update us with new data, conduct an interactive session, and share her expertise.

Jennifer Settle

**Jenny Settle** is a pilot, former flight instructor and air traffic controller. She is now the Runway Safety Program Manager at the FAA.

The Hilton Chicago/Northbrook is located south of Palatine Road (Willow Road) on the east side of Milwaukee Avenue.

A message from the National  
FAA STeam Manager
