

## Drone Experience and Safety Day

Join us for the Drone Experience and Safety Day at Harper College on Saturday, April 25, from 12 PM to 5 PM. This engaging event brings together industry professionals and aviation experts to explore real-world applications and careers in drone technology, discuss FAA rules and safe operations, and envision the future of drones. The day kicks off with Power Talks from 12 PM to 2 PM, followed by live demos and hands-on activities from 2:30 PM to 5 PM. Attendees can enjoy live drone flights, technology showcases, and youth drone experiences, weather permitting. Meet pilots, educators, students, and industry partners. Aligned with FAA Drone Safety Day, this event is open to all.
