

ForeFlight Essentials - Enhancing Your Flight Experience

In this session, you'll gain an in-depth understanding of the ForeFlight application, exploring its full range of features—from flight planning and weight and balance calculations to detailed airport information. By the end, you'll be equipped with the knowledge and tools to utilize ForeFlight to its fullest potential, thereby enhancing your aviation safety and operational efficiency.

From I-55 go North on Weber Rd. to Clow International Parkway (called Veterans Parkway to the East). Turn Left (West) and proceed to the airport parking lot. Additional parking is available if you go past the STOP sign and follow the taxiway to the back parking lot. There are 2 brown signs directing you to IAM. CAUTION: Once you pass the STOP sign you will be on ACTIVE TAXIWAY. The Illinois Aviation Museum hangar faces the runway and is across from the display Jet aircraft.

IAM is the Northern most hangar facing the runway

Aircraft Parking is in front of Charlie's Airport Café and tie downs on the north end of the airport.
