

EAA Chapter 410 Meeting

Join us for an engaging FAASTeam presentation titled "*25 Must-Know Tips for Soaring Safely This Summer,*" which provides essential insights for navigating summer flying conditions safely. This program is designed to spark open discussions on key considerations, including the instruments used for instrument flight, clearance and visibility requirements, and the different types of thunderstorms and related weather conditions. The event schedule is as follows:

- **Social Hour/Light Meal:** 6-7 PM
- **Announcements:** 7-7:15 PM
- **Program Presentation:** 7:15-8:15 PM

Hosted by EAA Chapter 410, we invite everyone to participate and enhance their summer flying safety knowledge.

The meeting room entrance is located on the southeast corner of the building
