

Eyes Up! Situational Awareness - Penny Levin PhD CFI - Monthly Safety Meeting at PWK by CEPA

Event Details

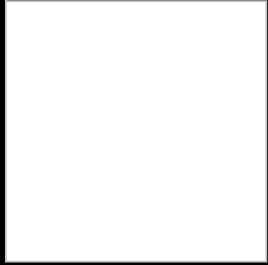

Join **Penny Levin, PhD, CFI**, for **Situational Awareness in Single-Pilot Flying: How Good Pilots Lose It, and Get It Back**. This practical program for general aviation pilots will explore how distraction, workload, routine, and cockpit screens can erode situational awareness in small airplanes, and what pilots can do to recognize the signs early, stay ahead of the airplane, and fly more safely.
