

Cleared for Takeoff Crafting the Future of Runway Safety

Gather with us to explore safety both on the ground and in the air around **Chicago Midway International Airport**, Chicago, Illinois.

This collaborative session will focus on the critical aspects of air traffic operations and innovative solutions to enhance surface safety. Learn how your contributions can significantly impact airport operations as we discuss upcoming construction projects, recent surface incidents, and pilot deviations. Together, let's shape effective strategies for a safer airport environment.

Please use favorite Map application for directions to Midway International Airport/AMC Building, 2nd Floor Conference Room.

This event is approximately 3 hours

A message from the National FAASTeam Manager
