

From Ground to Sky-Essential Skills for the Modern Pilot (Members Only)

Stick & Rudder Flying Club presents Safety Day to members, where attendees will gain valuable insights into several key areas essential for pilots. The session on Waukegan Tower Operations will provide an understanding of the procedures and communications necessary for safe and efficient operations at Waukegan Airport. The "Designated Pilot Examiner (DPE) Checkride Tips" segment provides essential guidance and strategies to help pilots effectively prepare for and pass their checkrides, ensuring they meet safety standards and enhance overall aviation safety. In the Pilot Medicals topic, participants will learn about the requirements and best practices for maintaining their medical certification, ensuring they meet the health standards necessary for flying from an Aviation Medical Examiner (AME) professional experience. Lastly, the Proper Pre-flight session will cover the critical steps and considerations for conducting thorough pre-flight inspections, enhancing safety and readiness before taking off.
