

Midway Pilot-Controller Forum

Join us for an in-depth discussion on Air Traffic Control (ATC) operations at Midway Airport (MDW). This session offers a unique opportunity to hear directly from the controllers as they answer questions and explain local procedures. Attendees will gain valuable insights into how air traffic is managed around the airport and have the chance to ask questions and understand the controllers' perspectives.

Use preferred maps application for directions to Midway Airport Tower.

This event is approximately 1.5 hours.

A message from the National FAASTeam Manager
