

## Beyond the Check Box

The Flight Review under 14 CFR 61.56 is much more than a requirement every two years - it's a valuable opportunity to sharpen skills, revisit important habits, and bring everyday flying practices in line with the standards outlined in the Airman Certification Standards (ACS) and Practical Test Standards (PTS). This presentation is designed for general aviation pilots who recognize that real proficiency goes beyond simply remaining current.

[Here is a link to the presentation.](#)

Main Studio. West end of airport.
