

Coffee with Controllers

Whether you're a student pilot, a seasoned professional, or simply curious about the dynamics of air and ground traffic management, this event offers a unique opportunity to engage with professional air traffic controllers at DuPage Airport (Class D). Gain valuable insights and best practices for flight and ground operations and discover how human factors influence the communication and instructions provided by ATC, TRACON, and Center Controllers. Highlighted by Topic of the Month - Pre and In-Flight WX Resources

Due to the enthusiastic discussions that ensue. This event is scheduled for approx. 3hrs.

GPS Map to DuPage Airport (KDPA) Main Terminal, Flight Center. Request directions to the 3rd Floor Conference Room Ground Traffic: Parking Lot is located South of the Main Terminal anywhere no Priority Signs posted.

Aircraft Traffic: Request Main Terminal Parking.
