

Tales from the Cockpit

Meet with former Commercial Pilot and hear about his Sentimental Journey of a DC 3 from San Diego to Chicago area. Our speaker has been from Flight Instructor through Commercial aviation. He has done flying for movies and TV Commercials in his career and can expound on many safety practices and recommendations.

From I55 go North on Weber Rd. to Clow International Pkwy (called Veterans Pkwy to the East). Turn left (West) and proceed to the airport parking lot. Additional parking is available if you go past the STOP sign and follow the taxiway to the northeast parking lot.

CAUTION: once you pass the STOP sign you are on ACTIVE TAXIWAY. There are 2 brown signs directing you to IAM. The Illinois Aviation Museum hangar faces the runway and is across from the display Jet Aircraft.
