

DuPage Airport (DPA) Coffee with Controllers

Regardless of your Pilot experience, from Student through Professional or just curious about how Aircraft and other vehicle traffic safely control their movement on the ground and in the air in and around DPA Airport via Professional Traffic Controllers. This is an excellent opportunity to learn and interact with the Professional Controllers Personal for Flight and Ground Operation at an Air Traffic Controlled (Class D) Airport.

Beyond the usual FAQs. You will have the opportunity to learn tips for Best Practices along with how the Human Factors play into the call out directions given by The DuPage Airport Air Traffic Controllers (ATC), TRACON, and Center Air Traffic Controllers who may be present during this event.
