

Safe Flight at Night (Night Operations)

As days get shorter, we are more apt to be flying at night. Join us for a practical and informative FAAST event covering night operations, including planning considerations, key definitions, currency requirements, and the added risks - including human factors - and how they apply to flying at night. Many will be flying after the event to regain currency.

Main Hangar at Illinois Aviation Academy - Located on the North West Corner of DuPage Airport, Main entrance faces Kautz Rd (NW corner or the Hangar under Pilot Shop Sign).

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us on Facebook: <https://www.facebook.com/groups/GASafety/>
