Greater Chicago FAASTeam presents:

EAA Chapter 75 IMC Club

Join us for an enlightening presentation: "Human Performance and Understanding Winter Weather Hazards".

First, we will present the FAASTeam presentation "Human Performance" which highlights;

- General Aviation Joint Safety Committee (GAJSC) & FAA Accident Study Findings
- Human Factors Issues
- Human Performance
- Human Factors courses on FAASafety.gov

Second, will be a continuing presentation on the meteorological factors of airframe icing. Discussion will include different temperature ranges and how they contribute to type and quantity of ice accumulation, rate of precipitation and how it contributes to airframe ice, and the types of fronts and how they impact airframe ice.
