

Signature Engine Facility Tour

This month we are having a tour of the Signature Engine Facility followed by a cook-out at the Flying Knight's Hangar. The tour is scheduled for 5:30 P.M. with the cook-out following the tour. Signature Engines is an FAA-licensed repair station that services Lycoming and Continental engines. Bill Schmidt founded Signature Engines in 1998 and Aviation Consumer Magazine has ranked Signature Engines one of the top 10 engine overhaul sites in the U.S. based on customer satisfaction.

Signature Engines is located at 4760 Airport Road at the south end of Lunken Airport.
