

Ohio Aircraft Technician's Society Fabric Covering Clinic

This course is a hands-on demonstration clinic consisting of:

Hands-on application of fabric to a metal structure

Hands-on shrinking fabric.

Fabric fastening methods & approved knots

Hands-on applying coatings & tapes

Hands-on making doilies and repair patches

Fabric preparation for final top coat

Directions: Airman's Club is on the second floor of the Lunken Terminal Building opposite the Sky Galley.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
