

GAJSC Topic of the Month - VMC Training and AOA

You've gotten bored with having just one engine, so why not ramp up the flying excitement by adding another one? Multi engine airplanes are faster and more powerful, but they also bring some new dangers that can sneak up on you. Arm yourself against these dangers tonight.

Directions: Aviation Sales main FBO facility, classroom off the right side of the lobby

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
