

## Advance Flight Planning - Decision Making Made Easy

AOPA hosted event, presented by Lockheed Martin Flight Service. This User Training Webcast focused on Recent Lockheed Martin Flight Service Website Enhancements, Evaluate Departure Time, Plan a Route, Optimize Altitude, Navigation Log and etc. This was the second webinar in a 2015 series of three, focusing on the services and capabilities available through the Lockheed Martin Flight Service Pilot Web. This webcast was originally presented October 12, 2015

**Directions:** This event will held at the Great Plains Enterprises building across the parking lot from the airport terminal building

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
