

GAJSC Topic of the Month - Engine Maintenance and Performance Monitoring

Is that engine healthy? Are you sure???

Tonight we will look at the ways our engines can be "screened for health issues" before things get bad.

An ounce of prevention is better than a pound of cure.

Directions: Main Aviation Sales FBO Building, classroom off the right side of the lobby

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
