

FAASTeam presents:

## Winter Weather

Our speaker, Mr. Scott Hickman is a Meteorologist for the National Weather Service in Wilmington Ohio and Aviation Focal Point. He is a graduate of Ohio State University and a 24 year veteran at the National Weather Service. He will be discussing the different types of weather phenomena that you may experience when flying in the winter. This will include snow, icing conditions, and etc. There will be plenty of slides to help illustrate the subject matter.

**Directions:** The seminar will be held at the Great Plains Enterprises building on the north end of the parking lot. To find Clinton County Airport exit 71 on to 68. Turn toward Wilmington Ohio. After about 1.5 miles turn right (south) onto Gurneville Rd. after 1 mile turn left onto Curry Rd. The airport is on the right.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
