FAASTeam presents:

2018 CVG Helicopter Operators Safety Forum

I am happy to announce that the 2018 CVG Helicopter Operators Safety Forum will be held on Wednesday, November 14th from 5:00PM – 9:00PM. The event will once again be held at Sporty's Clermont County Airport (I69) thanks to the gracious offering by the Sporty's senior leadership team. There will be adequate space for those wishing to fly in. If you do plan on flying in please make me aware of that for planning purposes.

Because FEC Heliports has been gracious enough to provide dinner for this event it is imperative that I have an accurate headcount. PLEASE respond to me via email (or text) with the full name of each person from your organization that will be attending. We have ample seating available, please invite fellow pilots, mechanics, safety officers, etc. I have attached the flyer for the event. The event is open for ANYONE that may fly in and out of the Greater Cincinnati Ohio area – Air Medical, Law Enforcement, ENG, Flight Training Schools, Private Owners, etc. WINGS credit will be available for those who participate in the WINGS program.

Directions: Sporty's Pilot Shop, second floor cafe area
