

IMC Club S Dayton - KMGY FBO

Scenario - Stuck Selector in SoCal

The bad news: Your simple IFR flight in a capable airplane just became a crisis IFR descent in a terrible glider. The good news: You have choices within gliding range. The decision: Which airport and technique gets you to the pavement in one piece? Don't dally. Altitude and options diminish with each passing minute. Maneuvering Flight - Turn Radius and Airspeed, Attitude and Airspeed, Best Glide

Directions: FBO Training Room - Look for IMC Club Poster
