

IMC Club S Dayton - KMGY FBO

SCENARIO: Gastonia Distress

It's been a simple IFR flight on a VMC morning. Now you're approaching a destination that's frustratingly hard to pick out given the suburban landscape and the just risen sun in your eyes. The distance is ticking down, ATC is getting impatient, and the nearby Class B limits your options to maneuver.

Approach Discussion - Contact

Accident Analysis - Piper Cherokee - Engine Problems

FBO Training Room - Look for IMC Club Poster
