

Owner/Operator Preventive Maintenance

A powerpoint presentation will be presented on Owner/Operator Preventive Maintenance, including an overview of the applicable Title 14 Code of Regulations, which address "Preventive Maintenance". After the presentation, stations will be set up for attendees to participate in some basic preventive maintenance applications.

Directions: MMS Aviation / FBO is located East of Cohocton, OH, on US. Rt. 36. Driving East, watch for airport sign (left turn).

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
