

## 2014 Ohio Aviation Maintenance Symposium / IA Meeting (see additional information below)

This year's symposium will consist of eight, one hour sessions in a ballroom setting. Topics will include Human Factors, Regulations, and a FAA Legal Presentation. The last hour of the symposium will offer a separate FAR 145 Repair Station Safety session to address the AMT Awards Programs and any pertinent repair station items of concern. Please ensure you read the required registration info below.

**Directions:** The Maintenance Symposium will be held on the 4th floor (elevators available) of The Center for Workforce Development (WD) Building. Parking will be available in lot 27S (see attached CampusMapRev3 pdf. map at bottom of page). When viewing the map, look for the building marked as WD
