

2015 Ohio Aviation Maintenance Symposium / IA Meeting (see additional information below)

This year's symposium will consist of 15 one hour sessions, 2 sessions per hour. Topics will include Human Factors, Regulations, NTSB, Vendors and a FAA Legal Presentation. A presentation at 3:45 will offer a FAR 145 Repair Station Safety session. Please ensure you read the required registration info below.

Directions: The Maintenance Symposium will be held on the 4th floor (elevators available) of The Center for Workforce Development (WD) Building. Parking will be available in all lots around the WD building (see attached Map_and_Directions_to_CSCC-WD_Bldg-Google-REVISED-2015.pdf map at bottom of page). When viewing the map, look for the building marked as WD

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
