

Columbus FAASTeam presents:

**Inaugural Meeting of the Columbus Chapter IMC Club
(Mastering the Art of Instrument Navigation)**

The inaugural one-hour local meeting of the newly formed Columbus Chapter IMC Club will be held on Wednesday, March 25, starting at 7PM at Quest Conference Center, 8405 Pulsar Place, Columbus, OH 43240. This center is a highly professional, well-appointed, technology friendly meeting space worthy of any instrument pilot's time to attend. Light refreshments will be served. After a brief introduction of the IMC Columbus Chapter's purpose; that is, emphasizing "instrument pilot safety and proficiency through education and experience", and a live video linkup with Radek Wyrzykowski, founder of IMC Clubs, International, the meeting will focus on single pilot resource management (SPRM) using an IFR scenario. Guided discussion will follow. The goal of SBT is to stimulate instrument pilot decision making skills, especially as they relate to single pilot resource management (SPRM). Register and bring a pilot friend with you. You need not be a current IMC Club member to attend. WINGS credit will be awarded to attendees.

Directions: Go to <http://www.quest-centers.com/> for a map and/or directions to the Quest Conference Center. (The QCC is southeast of the I-71-Polaris Parkway Exchange). Enter at the Main Entrance, you will be directed to the meeting room.
