

## Pilot Deviations / Open Forum with CMH Controller

A short presentation on "Pilot Deviations" followed by open discussion with an CMH ATC Controller. Come out and ask questions you may have had or were hesitant to ask in the past. This presentation should be put on the top of your list.

**Directions:** Classroom next to building north entrance

### **A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
