

Topic of the Month / Aircraft Performance

This Presentation and discussion will address: Aircraft performance parameters and calculations. We'll also offer suggestions that will help you with aircraft performance prediction. Finally we'll give you some tips and tricks that will help you to avoid performance-based accidents in any aircraft.

Directions: After turning into the OSU Airport driveway, the Administration building is the first one on the right. Parking is available in front of the building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
