

Monthly Meeting of the Columbus Chapter IMC Club (Mastering the Art of Instrument Navigation)

Chris O'Connell, Aviation Department Manager, Battelle Corporation, will review how pilots in his department (a) prepare for flights, (b) make Go/No Go decisions, (c) address en route issues, (d) deal with troubleshooting instrument malfunctions, and (e) "negotiate" with ATC for routing and/or altitude changes. In addition to these topics, Chris's remarks will focus on aeronautical decision making, personal flight limits, and task and automation management issues as they relate to GA instrument pilots. Q & A, discussion, and social interaction with other instrument pilots will follow. Refreshments will be served.

Directions: Go to <http://www.quest-centers.com/> for a map and/or directions to the Quest Conference Center. (The QCC is southeast of the I-71-Polaris Parkway Exchange). Enter at the Main Entrance, you will be directed to the meeting room.
