

Owner / Operator Maintenance

The topic of "Owner/Operator Maintenance" will include the discussion of applicable regulations and review of the list of allowable preventive maintenance items, which can be performed by a rated pilot. Got questions? Come out and join in the discussion.

Directions: See map link above.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
