

CFI Open Forum - Conducting a Risk-Based Flight Review

This interactive presentation leads the audience in a discussion of how to conduct an effective risk-based flight review. Best practices for developing evaluation scenarios will also be discussed.

Directions: Lane Aviation is located on the right side as you drive toward the terminal on International Gateway. Turn right into Lane Aviation entrance, bear to right of flag pole, enter building with maroon awning (4387) over the door, up the stairs to second floor, room on the left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
